

WELLWISHER

FIRST PRESBYTERIAN CHURCH
1419 WESTERN AVE., WELLINGTON, KS

OCTOBER

Fall is finally here with a little moisture and cooler weather. We can continue to pray for rain. This fall our scriptures are from the Old Testament and in October we will be with the prophet Elisha. We will hear some of the stories as well as how these stories have echoes back to Elijah and forward to Jesus.

Have you ever stepped back and wondered about the big picture of the Old Testament? Who and what happens when, and how do they fit together? What follows is my attempt to put together a list of the major events, prophets, and people in chronological order of the Old Testament: Creation, Abraham, Jacob and his sons including Joseph, Moses and the Exodus from Egypt, Mount Siani and the Ten Words, the wilderness journey and entering the promised land, the time of the Judges, David, Solomon, the Kingdom is divided into the Israel to the north and Judah to the south, Elijah and Elisha, Jonah, Amos, the northern Kingdom is taken into exile, Isaiah, Jeremiah, the Temple is destroyed and Judah is taken into Babylon, Ezekiel, Daniel, return from exile under Ezra and Nehemiah, Zechariah and Malichi

How many of these stories, people, and prophets do you know? Let me know if there are certain people or events that you want to know more about.
Peace,
Scott Randle

Last month in the Back-To-School pictures I accidentally left out Charles White's picture, so here he is his first day of Middle School.
